## MFE Kindergarten National Standards Alignment

This curriculum aligns with all National Core Arts Standards. Its units center around the artistic processes of responding to, creating, performing, and connecting with music. Each Standard is addressed over the course of six units at every grade.

The code for each Standard is met within a given lesson and displayed in the Lesson Plan in square brackets – for example, [Cr1.1a]. When a Lesson Plan is displayed on-screen on the MusicFirst Elementary website (as opposed to being downloaded), you can see the description of each Standard by hovering your mouse over the code, as seen in the screenshot to the right.
